

UCEAP - GE Petition List

Please note that an unmarked box for any core literary and/or topical breadth means that no petition has been requested to satisfy that specific requirement for the corresponding course. A student may petition for a course that is included in this list, only if the associated area(s) and/or topical breadth(s) credit has not yet been requested. A "NO" indicates that credit in this area was denied. An "X" means that credit in this area was granted.
