- [Create a Study Abroad account](#).
- Fill out your profile with your programs of interest.
- Start gathering enrollment materials such as your Health Clearance and Passport Copy.
- Start your enrollment by clicking “Apply Here” in the top menu and select a term next to your program.
- Double check that your upload documents are correctly attached and your enrollment is complete.
- Starting on January 8<sup>th</sup>, complete all steps of the Enrollment section, pay your \$300 (non-refundable) deposit, and submit your enrollment. The last day to enroll for open programs is April 3<sup>rd</sup>.

\*UC Davis students applying for the Study Abroad Award must enroll by March 3, 2020 to be eligible to receive the Study Abroad Award.

If you submit a Travel Clinic Appointment Card and/or Proof of Passport Application with your enrollment, you will need to have your completed health clearance and/or passport copy uploaded to your Study Abroad account no later than **May 8, 2020**. You will also need to upload a new passport copy by this deadline if your current passport expires earlier than six (6) months after the day you plan to return from the program. You may not be allowed to go on the program and will remain liable for fees if you do not meet this deadline.

#### First-Completed, First-Reserved Policy

Programs fill on a first-completed, first-reserved basis. Study Abroad will review your completed information and assign your enrollment status (see options below) in order of receipt.

#### Checking Your Enrollment Status

Log into your [Study Abroad account](#) to review your enrollment status. Below is an explanation of statuses.

- **Incomplete:** You have started an enrollment but have not yet submitted it. You will not be considered for a spot in the program until you submit your enrollment. Study Abroad will send you updates on the program(s) as new information becomes available.
- **Pending:** Your enrollment has been submitted and can take up to three or four weeks to be reviewed. Once it has been reviewed, your Study Abroad account will show your updated status.
- **Submitted-Incomplete:** You submitted your enrollment, but it is incomplete. A spot in the program has **NOT** been saved for you. Contact Study Abroad to verify which documents are missing and submit them to [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu) as soon as possible to reserve your spot in a program.
- **Enrolled-Conditional:** Study Abroad is holding a space for you in your chosen program but your enrollment is still being reviewed for one of the following reasons. You are still subject to the [cancellation policy and fee schedule](#).
  - **Disciplinary Clearance:** Study Abroad has not yet received your disciplinary clearance from your

## 2020 Summer Abroad Guide

- home campus or it is in review.
- **Academic Review:** Study Abroad may be contacting you if you do not meet the prerequisites for your program.
- **Enrolled:** You are fully enrolled in a Summer Abroad program. You are being saved a spot in your program and are subject to the [cancellation policy and fee schedule](#). Check your email regularly to monitor program announcements, updates on the Pre-Departure Orientation, and program confirmation.
- **Waitlisted:** You have been waitlisted in your program. For additional information, see the Waitlist Status section below.
- **WL & Enrolled Alt:** You have been waitlisted for your first choice program and saved a spot in your second choice program. For additional information, see the Waitlist Status section below.
- **Withdrawn:** You have cancelled your enrollment in the program. Refer to [Cancellation Policy](#).
- **Not Approved:** You do not meet [eligibility requirements](#).

### ***Waitlist Status***

If your enrollment is received after a program has filled, we will put your name on a waitlist. You will receive an email explaining your option of enrolling in an alternate program. You can check your waitlist number by following the steps below:

1. ***Log into your Study Abroad account;***
2. ***Click on “My Enrollment;”***
3. ***Click “Step 1. Fill out Enrollment” for the program you applied to; and***
4. ***Click on “Additional Information” (when available, your waitlist number will be shown here).***

### ***How will I know if I get a spot?***

If a space opens up for you, Study Abroad will contact you to confirm that you still want to enroll in the program. You will have two (2) business days to respond before Study Abroad moves to the next person on the waitlist. If you have made other plans for your summer but are still on the waitlist, please email [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu) and ask to be removed from the waitlist. Study Abroad will refund your deposit if you do not accept a spot in the program and you are not already enrolled in an alternate program.

### ***How likely is it that a space will open on the waitlist for my program of interest?***

Study Abroad does not know in advance when and if a space will open up for those on the waitlist. There is no trend that could help us predict how many, if any, students will cancel their enrollment in a particular Summer Abroad program. Sometimes waitlisted students transfer their enrollment to an alternate open program. You may want to discuss this option with Study Abroad while space is still available in alternate programs.

### ***Can I enroll in an alternate program and remain on a waitlist?***

Yes, when completing your enrollment online, you will be asked, “Would you like to choose a second choice alternate program?” If so, you will then “Select the Backup Summer Abroad program you are applying for.” If you do not receive a spot in your first choice program, you will be waitlisted in your first choice program and saved a spot in your alternate if there is space available. If you have already submitted your enrollment, please contact Study Abroad to select an alternate program. You may only select an alternate program that is the same program type.

**You are subject to Summer Abroad cancellation policies and deadlines when you enroll in an alternate program, so only enroll if you are serious. You will have the option of moving to the waitlisted program from your alternate if a space becomes available by April 10, 2020. After April 10<sup>th</sup>, participants enrolled in an alternate program will be removed from all waitlists.**

## 2020 Summer Abroad Guide

### Checking the Status of your Program

- **Confirmed:** The program meets all requirements to run. Instructions for purchasing your airfare and preparing for travel will be sent to the program listserv.
- **Unconfirmed:** The program has not yet met all requirements to run. You will receive a “program confirmation” email when your program is confirmed. This email will include instructions for travel so that you can purchase your airfare. **Do not purchase airfare until your program is confirmed, and you have been given instructions to do so by your Program Coordinator.**

You can check a program’s status on all program web pages under “Announcements.” Program statuses are updated as soon as possible and are not guaranteed.

- **Scheduled:** The program is scheduled for the upcoming summer.
- **Open:** The program still has space available and is accepting enrollments.
- **Open – Limited Space Available!** The program has ten or fewer spots available.
- **Full – Waitlist Open:** The program is full but waitlist space may be available.
- **Full – Waitlist Closed:** The program is full and waitlist space is NOT available.
- **Confirmed:** The program has been confirmed. This status will be used in combination with “Open” or “Limited Space Available!” statuses. Once the program has been confirmed, you will receive additional information via email regarding airfare, travel preparation, etc.
- **Cancelled:** The program has been cancelled due to safety concerns, low enrollment, or other reasons that make continuation of a program in the planned location difficult.

### Participation Policies and Study Abroad Participant Contract

Upon enrollment in a Summer Abroad program, you will agree to certain terms and conditions. These terms are defined in the Study Abroad Participant Contract that you agree to while completing your enrollment. **Before you enroll, make sure you read this contract thoroughly and understand what is required of you as a participant in a Summer Abroad program.** If you have questions about this contract, please contact Study Abroad for a clarification of the terms.

#### IMPORTANT

Violation of the Study Abroad Participant Contract may result in your exclusion from a portion of the program (classes and/or activities, facilities, or accommodations) or your removal from the entire program. Violations will be reported to the UC Davis Office of Student Support & Judicial Affairs. Students from other campuses will have a report sent to their home campus. Upon your return, the UC Davis Office of Student Support & Judicial Affairs may impose disciplinary action. **Refunds are not given if you are excluded or removed from a program.**

### Student Cancellation/Withdrawal

Please do not submit your enrollment if you do not intend to participate in a Summer Abroad program. The cancellation policy and deadlines outlined below applies to *all* students, including those planning to use financial aid.

If you need to cancel from a Summer Abroad program, ***you must sign and complete an official Cancellation/Withdrawal Form.*** You must request the form via email by contacting [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu).

Cancellations/Withdrawals are effective the date the form is received by Study Abroad and NOT the date the form is requested. Postmarks will not be used to determine the effective date. If a student fails to officially cancel from the program, they will be charged all program fees. There are no refunds for non-attendance.

## Cancellation of a Program by Study Abroad

Study Abroad may cancel a program due to safety concerns, low enrollment, or other reasons that make continuation of a program in the planned location difficult. If your program is cancelled, you will have the option of transferring to another open program or cancelling your enrollment in Summer Abroad.

## 2020 Summer Abroad Guide

Your \$300 deposit will be refunded if Study Abroad cancels your program and you choose not to participate in an alternate offering. **Because Study Abroad will not refund the cost of any airfare purchased, you should not purchase your airfare before your program is confirmed.**

### Administrative Withdrawal

Failure to adhere to any contract policies, academic requirements, to submit required documents, or attend mandatory meetings could result in Administrative Withdrawal. **If you are Administratively Withdrawn, you will remain liable for fees according to the cancellation schedule.**

### Current Student Information

For communication purposes it is absolutely imperative that UC Davis Study Abroad has both your current campus and permanent mailing address, as well as your telephone number on file. Please keep this, and other personal information, up to date in your Study Abroad account. You must also check your UC Davis email address regularly to be sure you do not miss any important information sent by Study Abroad (if you are a student from another campus you must check both your home campus email and your UC Davis email once it is created).

### Academic Information

#### Grades

The Course Registration Numbers (CRNs) for the courses you will take on a Summer Abroad program will be in your Study Abroad account prior to registration for Summer Special Session. Students will register for their Summer Abroad courses through Schedule Builder.

Grades from your Summer Abroad program become part of your academic record at UC Davis and appear on your official transcript. All grades reported to the UC Davis Office of the University Registrar are considered permanent and final. A grade may not be changed except to correct a clerical or procedural error. No grade may be revised by re-examination or by completing additional work. A student who believes that non-academic criteria have been used in determining a grade may have grounds for appeal. Non-academic criteria means criteria not directly reflective of academic performance and includes discrimination on political grounds, or for reasons of race, religion, gender, sexual orientation, ethnic origin, or nationality. For further assistance speak with the Faculty Leader.

**Non-UC Davis Students:** The UC Davis Office of the University Registrar will automatically send your UC Davis transcript to your home campus after the end of your Summer Abroad program (sometime in October). Your home campus Registrar's Office will add these units to your home campus transcript.

- **Pass/No Pass (P/NP):** *You may change the grading option for the core course from a letter grade to P/NP in Schedule Builder by the halfway date of your program (ex: by the end of the 15<sup>th</sup> day of a 30-day program).* Study Abroad will NOT accept late requests to change the graded course to P/NP beyond the stated deadline, as the change must be made in Schedule Builder by that date. Keep in mind that choosing P/NP for the core course may prevent you from receiving major, minor or GE credit for your work. If you change the graded course to P/NP, please let your instructor know. Please email [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu) if you have any questions about the deadline for changing a graded course to P/NP.
- **Incomplete:** Incomplete (I) grades are possible only in extreme circumstances and only with the approval of the Faculty Leader.
- **No Grade:** A No Grade (NG) at the time of final grades will be changed to an "F" grade (or NP or U as appropriate) one year after the end of the academic term in which the course was taken.
- **Plus/Minus Grades:** Plus/Minus grades may be reported for coursework completed on Summer Abroad programs.

## 2. Fees, Payments & Financial Aid

---

### Summer Abroad Fees

Fees include the Summer Abroad Fee, Course Fee, UC Davis Summer Campus Fee, and Accommodations and Services Abroad Fee. **Travel to and from the program site is NOT included. All fees are subject to change without notice.**

#### **Summer Abroad Fee**

This fee covers instructor lodging and travel as well as overall program costs. The \$300 non-refundable deposit goes toward this fee.

#### **Course Fee\***

The Course Fee includes your tuition and classroom costs. Actual charges will be posted in the cost section of each program page when available.

UC students who are graduating in Spring Quarter will be charged Non-UC fees unless they defer their graduation. In many cases, these students can walk in the graduation ceremonies in June, but file for the September graduation date. Students should check with their college dean's office for filing deadlines. You are a UC student if you are enrolled at any of the University of California main campuses and will be a continuing student in the fall: UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, and UC Santa Cruz. If you are an incoming student (undergraduate or graduate) admitted to UC Davis for fall, please contact [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu).

\*This fee is subject to Regental, legislative, and gubernatorial action and may change without notice. Advance notice of fee change will not be given.

#### **UC Davis Summer Campus Fee\***

The UC Davis Summer Campus Fee covers the following services and initiatives: Student Services, Memorial Union, Student Health and Counseling Services, Unitrans, Mondavi Center, Recreation, Student Facilities Fee, Facilities and Campus Enhancement Initiative and Campus Expansion Initiative. The Provost has directed that all registered students must pay all elements of the campus fee with the exception of UC Davis employees who are also registered students. This directive is consistent with the language included in the referenda for campus-based fees, including the summer campus fee, voted upon by the students. With a UC Davis Student ID card, Summer Abroad students have access to the student services listed above during the entire summer special session period (mid - June – early September). UC Davis students may get a UC Davis Student ID card (Aggie Card) at the Aggie Card Office, 253 Memorial Union.

\*This fee is subject to campus action and may change without notice.

#### **Accommodations and Services Abroad Fee (varies)**

The Accommodations and Services Abroad Fee varies for each program. This fee includes but is not limited to accommodations, select meals, group excursions, mandatory health and travel insurance, and printed items (including a course reader). *Travel to and from the program site is NOT included.*

Please refer to the [program webpages](#) for a specific list of what is included in your fees.

### Fee Payment for Non-UC Davis Financial Aid Recipients

Financial aid for your Summer Abroad program would come from your home campus. Students should consult with their home institution about financial aid eligibility and timelines.

Since many campuses do not distribute financial aid until after Summer Abroad program fees are due, **non-UC Davis students are expected to pay fees within five (5) business days of their financial aid being disbursed.** It is your responsibility to apply for Summer Aid at your home campus. *Please note that you are liable for all fees regardless of the amount of your final disbursement.* The \$300 non-refundable deposit does not apply here. All students are held liable for fees according to the [cancellation policy](#), as stated in the Study Abroad Participant Contract.

### Making Payments

**Note: Registration bills and/or statements are NOT mailed. Each student is responsible for using MyBill for checking and maintaining their own online account balance.**

### How to Log into MyBill

- Go to [MyBill](#)
  - Students:**
    - Log in using your Login ID and Kerberos passphrase.
    - Once logged in, students can designate an authorized user (ex: parent) to access their account information and make payments on their behalf.

**Note:** All Summer Abroad students have a UC Davis Student ID number regardless of their home campus. Your 9-digit UC Davis Student ID number is available via your Study Abroad account.

### Paying in Person

Please take your payment to the Cashier's Office in Dutton Hall. Payments can be made by check or money order, payable to UC Regents.

Questions or comments can be directed to [myaccount@ucdavis.edu](mailto:myaccount@ucdavis.edu).

### Estimated Personal Expenses

Your program's "Cost" page and Program Specific Guide contain a budget that includes both program fees and estimated personal expenses, which will help you calculate the total minimum cost anticipated for the program. A **budgeting worksheet** is provided to you on the Study Abroad website to help you budget and anticipate your financial needs.

Amounts for personal expenses are intended to provide a reasonable *minimum* estimate of personal costs in addition to program fees. **The estimate does not include funds for optional independent travel, emergencies, personal entertainment, shopping/souvenirs, or major currency fluctuations.** Use the estimated budget as a guide, but be sure to consider your own lifestyle expenses when reviewing your personal budget for the program.

### Changes in Fees

All program fees are subject to change based on decisions of the Regents of the University of California, UC Davis, or UC Davis Study Abroad. If fees are adjusted, students will be notified immediately of the adjustment and the new balance due.

### Financial Obligation Abroad

Students are responsible for all bills incurred on their Summer Abroad program. Students must not leave the host country until they have settled all financial accounts. Failure to resolve any outstanding bills may compromise the student's standing with UC Davis.

### California Veterans Fee Waiver

Continuing UC students eligible for a California Veterans Fee Waiver can have the Course Fee waived. If you are eligible for this waiver, please send a copy of your current award letter for the academic year to Study Abroad at [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu), with your Social Security Number redacted.

### Financial Aid for UC Davis Students

Financial aid may be available for UC Davis students from the UC Davis Financial Aid Office. To qualify, students must have a FAFSA or Dream Act Application on file for the 2019-2020 academic year and must register for six (6) or more summer units during Summer Special Session.

**Note to Financial Aid Students**  
Summer aid will be applied to any charges that exist on your student account before your financial aid remainder check is issued.

## 2020 Summer Abroad Guide

More information and an estimator (available by January) can be found on the [UC Davis Financial Aid and Scholarships website](#).

While you may be eligible for financial aid for Summer Abroad, in general you should not expect your aid package to be the same as during the academic year. For example, summer aid is likely to include a higher portion of student loans, which is dependent upon the total amount of loans you have already accepted during the academic year and the maximum amount allowed.

As explained below, some of the procedures for applying for summer aid are different from those for the academic year, and they will differ if you are a UC Davis student or from another institution.

### ***How much aid is available for UC Davis students?***

The UC Davis Financial Aid and Scholarships Office posts the [Summer Aid Estimator](#) by January. You may use the estimator to calculate the potential aid available for your selected program. Study Abroad will send a link to the Summer Aid Estimator to UC Davis participants when it is ready. **You are responsible for making sure you can pay for your program before you enroll.** As soon as you know which program(s) that you are interested in, speak to a Financial Aid representative with the estimated program budget (found on the website) to get an estimate of your expected available aid.

### ***Maintaining Financial Aid Eligibility***

Students receiving financial aid for Summer Abroad are reminded of the following program requirements to retain financial aid eligibility for Summer Abroad:

- **Unit Requirement:** To be eligible for summer aid at UC Davis, you must be enrolled in a minimum of six (6) quarter units during Summer Special Session. Aid will be subject to cancellation if you drop below six (6) quarter units.
- **Cancellation/Withdrawal:** If you receive financial aid and subsequently cancel or withdraw from the program, you may be required to return financial aid funds received. Return of Title IV funds received is based on published schedules and the date you officially withdrew or cancelled your registration. If you cancel or withdraw, notify the Financial Aid Office immediately.

### ***Direct Deposit for Financial Aid Disbursement***

If you are traveling before your program's start date, any financial aid funds remaining after payment of fees on your account may be issued after you depart; therefore it is very important that you **sign up for Direct Deposit of aid disbursements**. UC Davis students can sign-up for this service online at <http://directdeposit.ucdavis.edu>, using their UC Davis Login ID and Kerberos passphrase. Be sure to include your UC Davis email address so that you will receive notifications of your deposit.

If you have questions regarding this service, contact [myaccount@ucdavis.edu](mailto:myaccount@ucdavis.edu) or call (530) 752-3646.

## Financial Aid for Non-UC Davis Students

### ***Other UC Students***

All Summer Abroad students interested in summer aid must apply for aid at their home campus Financial Aid Office. All UCs award aid for summer sessions. Email [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu) to request an **enrollment verification letter** if your Financial Aid Office requires proof of enrollment to award summer aid. All financial aid recipients are responsible for paying their Summer Abroad fees **within five (5) business days** after the aid is disbursed.

**IMPORTANT NOTE:** Financial aid disbursed by your home campus is **NOT** automatically transferred to UC Davis. It is your responsibility to submit your payment. For more information, see "[Fee Payment](#)" or email [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu).

## 2020 Summer Abroad Guide

### Financial Aid Eligibility for UC Berkeley and UC Merced students

Students at UC Berkeley and UC Merced must be enrolled in nine (9) quarter units [equal to six (6) semester units] in order to receive aid. UC Davis Study Abroad allows students from these campuses to request additional unit(s) to meet this minimum. Students who request additional unit(s) will be required to complete extra coursework (to be determined by the instructor). If you did not request this extra unit when enrolling, please contact [summerabroad@ucdavis.edu](mailto:summerabroad@ucdavis.edu) about arranging additional unit(s) of 199 independent study for financial aid eligibility.

### Students Outside of the University of California

UC Davis does not provide aid for students from other institutions. Please see your home campus Financial Aid Office to inquire about assistance for a UC Davis Summer Abroad program.
